**Rethymno - diverse beauty and cultural heritage**

The city is located in the middle of the island of Crete in the south end of Greece.

With its endless sandy beaches, embraced by the sea, surrounded by the marvellous natural beauty of the mountains, its colourful mosaic of people and civilizations, Rethymno is the ideal choice for relaxation, recreation and enjoying Cretan hospitality in the numerous local taverns and restaurants.

Shopping in the centre of the old city, with its picturesque alleys, amazing variety of architectural forms the visitor finds a harmonious combination of the contemporary and old ambiance.

The beautiful and picturesque villages around Rethymno; where one can experience the famous Cretan culture and hospitality and enjoy the world famous Cretan diet, are all within easy reach.

**Rethymno - nautical facilities**

The Marina offers 174 spaces on floating docks while larger boats can side tie on the permanent docks/quays, while it can accommodate boats from 6 meters to 40 meters and a 4.5 meter draft.

There is power, water, crane for the lifting of engines and small boats, permanent docks and a secure (fenced) area for the parking of trailers and small boats. Walkways and toilets facilities are present as well as ample controlled parking and security. There are plans for the construction of a repair zone and the availability of wireless internet access in the very near future. Within the Marina area there is a station of the Marine Boy Scouts and the Sailing Club of Rethymno.

Adjacent to the Marina and within 100 meters there are facilities for various sporting activities such as Mini Soccer, Beach Volley, Beach Tennis and Chess Tables.

All around the Marina and within walking distance, you will find plenty Restaurants, Cafes and Bars, Super Markets and a large shopping area. Within the administration building of the Marina, there are offices of the National Tourist Organizations and the Tourist Police.
